4. The Class Actions were brought by the VID180 Applicants and VID182 Applicants (together referred to as **the Applicants**) on their own behalf and on behalf of all persons who are “Group Members” in each proceeding.
5. The VID180 Class Action and the VID182 Class Action (**Class Actions**) have been funded by Galactic Seven Eleven Litigation Holdings LLC (the **Funder**).

6. This Notice contains important information about the proposed settlement of the Class Actions (**Settlement**).
7. Paragraphs [17] to [26] below explain what the Class Actions are about.
8. Paragraphs [27] to [33] below explain the terms of the Settlement with 7-Eleven.
9. Paragraphs [34] to [61] below explain how the Settlement monies will be distributed and to whom.
10. Paragraphs [63] to [66] below explain how you can object to the Settlement.
11. Paragraphs [76] to [78] below explain how you can get information about the Settlement and the Class Actions.
12. As explained in paragraph [37] below, the Court will set a “Registration Date” by which you must lodge your claim on the settlement sum. **If you do not make a claim on the Settlement Sum by the Registration Date, you will be bound by the outcome of the Class Actions and get nothing.**
13. You should read this Notice very carefully if:
  - (a) you (or your company) were or became a 7-Eleven Franchisee (**Franchisee**) at any time between 20 February 2012 and 19 February 2018 and you (or your Franchisee company) did not opt out of the VID180 Class Action (**VID180 Group Member**); or
  - (b) you were or became:
    - (i) a nominated director identified in a franchise agreement (**Franchise Agreement**) with 7-Eleven at any time between 20 February 2012 and 19 February 2018; or
    - (ii) an individual person (not a corporation) who provided indemnities, guarantees, mortgages or other securities (**Guarantor**) in respect of a Franchisee’s obligations under a Franchise Agreement or ANZ Bank loan contract entered into by a Franchisee during the period 20 February 2012 and 19 February 2018; and

(iii) you did not opt out of the VID182 Class Action,

**(VID182 Group Member).**

14. If you and your company have opted out of both Class Actions, you may disregard this notice.
15. An opt out process for each of the Class Actions took place in 2020. Before the opt out process in the VID180 Class Action, there were approximately 995 stores and approximately 813 group members (not including the VID180 Applicants). After the opt out process in the VID180 Class Action, approximately 808 stores (not including three operated by the VID180 Applicants) and approximately 676 VID180 Group Members (not including the VID180 Applicants' two companies) remain.
16. Before the opt out process in the VID182 Class Action, there were approximately 1,492 group members (not including the VID182 Applicants). After the opt out process in the VID182 Class Action, approximately 1,234 VID182 Group Members (not including the VID182 Applicants) remain.

### **The claims in the Class Actions**

17. In the VID180 Class Action, the VID180 Applicants claim damages, compensation and orders for an account of rebates. These claims are premised upon alleged:
  - (a) misleading or deceptive conduct, statutory unconscionable conduct and contravention of industry codes, in relation to the acquisition and sale of franchises;
  - (b) breach of contract, in relation to the prices of goods supplied to franchisees; and
  - (c) an equitable obligation to account, in respect of rebates from merchandise suppliers.
18. In summary, in the VID180 Class Action, Davaria alleges that 7-Eleven:
  - (a) misled Davaria and VID180 Group Members before they entered into franchise agreements with 7-Eleven (**Franchise Agreements**), about:
    - (i) the business opportunity afforded by operating a 7-Eleven store;

- (ii) the profitability of the stores;
  - (iii) the accuracy of the labour costs in documents and records supplied to prospective franchisees;
  - (iv) the average wages that a Franchisee would have to pay to operate their store in compliance with employment awards;
  - (v) the need for Franchisees or their principal or family members to work for nothing or at rates below employment award rates for an unreasonable and/or unsociable number of hours per week;
  - (vi) the choice available to Franchisees of suppliers and merchandise from which they could choose product lines to offer at their stores;
- (b) breached its contract (that is, the Franchise Agreement) with VID180 Group Members, including by only letting VID180 Group Members purchase stock from C-Store in circumstances where 7-Eleven had negotiated with C-Store prices higher than either:
- (i) the prices for which VID180 Group Members would have been able to buy stock in similar quantities from alternative suppliers; or
  - (ii) the lowest prices reasonably obtainable by 7-Eleven had it used its best endeavours;
- (c) failed (and was obliged) to account to Franchisees for rebates received by 7-Eleven from merchandise vendors, which rebates could only be allocated to certain marketing and other costs, and otherwise were to be applied to reduce the cost of goods purchased by Franchisees (**Rebates Claim**); and
- (d) engaged in unconscionable conduct, including by enticing VID180 Group Members to enter into Franchise Agreements even though 7-Eleven knew that stores could only be profitable if Franchisees:
- (i) underpaid staff; and/or

- (ii) worked (or their principal or family members worked) for nothing or at rates below employment award rates for an unreasonable and/or unsociable number of hours per week.
- 19. In the VID180 Class Action, Kaizenworld also alleges the same things that are listed in paragraph [18] above and, in addition, that 7-Eleven:
  - (a) promoted to Franchisees, prospective Franchisees and the ANZ Bank an inaccurate formula for valuing the goodwill of 7-Eleven stores, being a multiple of 2.1 to 2.7 times the Franchisee's annual gross income; and
  - (b) represented to Franchisees that they could sell the goodwill in their stores to an incoming purchaser (who would acquire a 10-year franchise term) on the same multiple.
- 20. In the VID180 Class Action, the VID180 Applicants claim:
  - (a) damages or compensation on account of:
    - (i) loss of monies expended in acquiring their 7-Eleven store franchise;
    - (ii) loss of monies incurred in operating their 7-Eleven store franchise on account of paying prices higher than they should have for merchandise that was sold from their stores; and
  - (b) an entitlement to an account of rebates collected by 7-Eleven from merchandise suppliers who sold merchandise to Franchisees which was then sold from 7-Eleven stores.
- 21. In the VID182 Class Action, the VID182 Applicants:
  - (a) make similar claims to those made by their respective Franchisee companies as listed at paragraphs [18(a)], [18(d)] and [19];
  - (b) claim damages for misleading or deceptive conduct and statutory unconscionable conduct, in relation to:
    - (i) the excessive hours they spent operating their stores; and

- (ii) the additional monies that they might have earned instead of spending their time operating their stores; and
  - (c) also seek orders for indemnity in respect of their obligations as guarantors of loans, and of their Franchisee company's obligations under their Franchise Agreements.
22. 7-Eleven has denied the allegations referred to in paragraphs [17] to [21] above.
  23. The claims made against 7-Eleven are set out more fully in the VID180 Class Action Third Further Amended Statement of Claim and the VID182 Class Action Second Further Amended Statement of Claim, copies of which can be obtained from Levitt Robinson at <https://www.levittrobinson.com/7-eleven-class-action>.
  24. Copies of 7-Eleven's Defences to the VID180 Class Action Third Further Amended Statement of Claim and the VID182 Class Action Second Further Amended Statement of Claim can also be obtained from Levitt Robinson at <https://www.levittrobinson.com/7-eleven-class-action>.
  25. 7-Eleven has provided the Applicants' solicitors Levitt Robinson with copies of deeds of release and covenants not to sue executed by some VID180 and VID182 Group Members, pursuant to which those group members have already released 7-Eleven from claims or liabilities. In those deeds, the releases are described, for example, as a release from any present or future, actual or contingent, claim, cause of action, complaint, liability, demand, cost or expense that any person (whether or not a party to the Class Actions) has or might have, whether or not the facts, matters or circumstances giving rise to that claim, cause of action, complaint, liability, demand, cost or expense are known to that person or to any other person (**Releases**).
  26. A VID180 Group Member or a VID182 Group Member who has entered into a Release with 7-Eleven will not be entitled to any compensation from the Settlement unless that Release is determined by an independent Senior Counsel appointed under the Settlement Scheme to be either wholly or partly ineffective, or not to release 7-Eleven from some or all of the claims (**Ineffective Release**). If the Settlement Scheme's independent Senior Counsel makes that determination:

- (a) it will enable such a VID180 Group Member or VID182 Group Member to have their claim assessed under the Settlement Scheme; but
- (b) it **will not** bind 7-Eleven and will be **without prejudice** to 7-Eleven's ability to contend, outside of the Settlement Scheme, that 7-Eleven was effectively released.

### **The Settlement with 7-Eleven**

- 27. The Class Actions were listed for hearing before the Honourable Justice Middleton in the Federal Court of Australia in Melbourne for a ten-week trial commencing 9 August 2021. The Court ordered that the parties attend a mediation by 28 June 2021.
- 28. The mediation took place over four days on 24 and 25 June 2021 in Canberra and also on 29 June 2021 and 23 July 2021 via audio-visual link. The Honourable Susan Crennan AC QC, a former Justice of the High Court of Australia, was the mediator for all of the four days.
- 29. On 4 August 2021, the Applicants and 7-Eleven agreed to settle the Class Actions for **\$98,000,000** (ninety-eight million dollars) (**Settlement Sum**) and signed a Deed of Settlement and Release (the **Settlement**), subject to the Court approving settlement.
- 30. Under the terms of the Settlement, payment of the Settlement Sum:
  - (a) is all-inclusive of legal costs and disbursements and the Funder's commission;
  - (b) is made without any admission of liability by 7-Eleven;
  - (c) involves the Applicants on their behalf and on behalf of all Group Members releasing and forever discharging 7-Eleven from the Applicants' and the Group Members' Claims ("**Claim**" is defined in the Settlement as any claim or cause of action in the Class Actions or any claim or cause of action arising out of, or in relation to, the subject matter of the Class Actions); and
  - (d) involves the Applicants, on their own behalf and on behalf of all Group Members, promising not to bring or pursue or otherwise aid, abet, counsel, fund or procure the bringing of any Claim against 7-Eleven.

31. In addition, subject to the Court approving the Settlement, Davaria and Kaizenworld agreed to a buy back of their 7-Eleven stores by 7-Eleven in return for:
- (a) a payment of **\$978,000 plus stock** to Davaria for the early surrender of its Campbelltown non-fuel store and its Northmead fuel store; and
  - (b) a payment of **\$460,000 plus stock** to Kaizenworld for the early surrender of its South Melbourne non-fuel store.
32. The Settlement also provides that:
- (a) the Class Actions be dismissed with all existing costs orders in favour of the Applicants as against 7-Eleven, or in favour of 7-Eleven as against the Applicants, being vacated;
  - (b) the Applicants and 7-Eleven provide mutual releases;
  - (c) 7-Eleven denies liability and makes no admission as to liability;
  - (d) 7-Eleven will bear its own costs of the Class Actions;
  - (e) each of the VID180 and VID182 Applicants will seek **\$40,000** per Applicant (**\$240,000** in total) as a reimbursement for the significant time expended by them in the course of the Class Actions (including attendance at the mediation);
  - (f) the Applicants' legal costs and disbursements for the Class Actions of **\$19,108,466**, the approval of the Settlement estimated at **\$487,470** and the administration of the Settlement estimated at **\$1,100,000**, will be paid out of the Settlement Sum, subject to Court approval;
  - (g) Mr Stewart Alan Levitt of Levitt Robinson will act as Administrator of the settlement;
  - (h) the Funder will seek a Common Fund Order of 25% of the Settlement Sum to be paid as the Funder's commission (that is, **\$24,500,000**), which 7-Eleven and the Applicants will not oppose;

- (i) security for costs in the sum of \$6,945,625 which had been paid by the Funder into an interest-bearing account operated by the Court, will be returned to the Funder with all accrued interest;
- (j) the parties agree not to disparage one another;
- (k) the Funder agrees not to fund or otherwise aid, abet, counsel, pursue or procure, either directly or through a related party, any Claim against 7-Eleven; and
- (l) if 40 or more Group Members in the Class Actions are permitted to opt out or otherwise cease to be Group Members (for example, if a Franchisee company is deregistered) between 4 August 2021 and the Court's approval of the settlement, 7-Eleven has the option to terminate the Settlement.

33. If the Court approves the payments listed above in paragraphs [32(e)], [32(f)], and [32(h)], after all deductions the Applicants and group members will share in approximately **\$52,564,064 (Net Settlement Sum)**.

### **Distribution of the Net Settlement Sum**

34. The Net Settlement Sum will be divided amongst Group Members of the VID180 Class Action and the VID182 Class Action.

35. It is proposed that sixty (60%) per cent (**\$31,538,438**) of the Net Settlement Sum will be distributed to eligible VID180 Group Members and forty (40%) per cent (**\$21,025,626**) to eligible VID182 Group Members.

36. The division of 60% and 40% as between the VID180 Class Action and the VID182 Class Action is proposed having regard to:

- (a) the wider scope of the claims made in the VID180 Class Action; and
- (b) an evaluation that the claims made in the VID180 Class Action are more certain in relation to the losses likely to have been suffered by VID180 Group Members.

### **Who is an Eligible VID180 Group Member?**

37. An **Eligible VID180 Group Member** is a VID180 Group Member that:

- (a) has not opted out of the VID180 Class Action;

- (b) registers, or has already registered, for the Settlement Scheme by a date that will in due course be notified to all VID180 Group Members (**Registration Date**); and
- (c) has not entered into a Release, or has entered into a Release that is determined to be an Ineffective Release; and
- (d) for corporations, is not deregistered as at the Registration Date.

***Who is an Eligible VID182 Group Member?***

38. An **Eligible VID182 Group Member** is a VID182 Group Member who:
- (a) has not opted out of the VID182 Class Action;
  - (b) registers, or has already registered, for the Settlement Scheme by the Registration Date; and
  - (c) has not entered into a Release, or has entered into a Release that is determined to be an Ineffective Release.
39. The Registration Date will be a date approved by the Court, and will be approximately four months after the Approval Hearing referred to in paragraph [65] below.

***Distribution to Eligible VID180 Group Members***

40. As to the sixty per cent (**\$31,538,438**) of the Net Settlement Sum (**VID180 Settlement Sum**) to be distributed to Eligible VID180 Group Members, that is proposed to be distributed having regard to the claims that could have been made by those Group Members.
41. As to those claims:
- (a) twenty (20%) per cent of the VID180 Settlement Sum (**\$6,307,688**) (**VID180 Rebates Claims Settlement Sum**) will be distributed to all Eligible VID180 Group Members in relation to Rebates Claims;
  - (b) the other eighty (80%) per cent of the VID180 Settlement Sum (**\$25,230,751**) (**VID180 Loss Claims Settlement Sum**) will be distributed to all Eligible VID180 Group Members on account of VID180 Loss Claims.

42. A VID180 Loss Claim is a claim made in respect of monies lost in relation to the costs of acquiring a franchise.
43. Different relative weightings will be applied in the Settlement Scheme to VID180 Loss Claims, having regard to:
  - (a) the date when the Franchisee entered into their Franchise Agreement to acquire their franchise;
  - (b) the date when the Franchisee sold or disposed of the franchise (if they have sold or disposed of it).
44. These weightings are proposed under the Settlement Scheme because it is considered that the strength of VID180 Group Members' claims is affected by:
  - (a) the date when a Franchise Agreement was entered into; and
  - (b) when the Franchisee sold or disposed of the goodwill associated with those franchises (if they have been sold or disposed of).
45. A relative weighting of 3.0 (in respect of the VID180 Loss Claims Settlement Sum) will be applied to Eligible Group Members' VID180 Loss Claims in respect of a franchise relating to a Franchise Agreement that was entered into on or after 21 February 2012 and before 1 October 2015, and the franchise:
  - (a) was sold or disposed of after 1 October 2015; or
  - (b) is still retained by the Eligible Group Member.
46. A relative weighting factor of 1.0 (in respect of the VID180 Loss Claims Settlement Sum) will be applied to Eligible VID180 Group Members' VID180 Loss Claims in respect of a franchise relating to a Franchise Agreement that was entered into before 21 February 2012, and the franchise:
  - (a) was sold or disposed of after 1 October 2015; or
  - (b) is still retained by the Eligible Group Member.
47. A relative weighting of 1.0 (in respect of the VID180 Loss Claims Settlement Sum) will be applied to those Eligible VID180 Group Members' VID180 Loss Claims in respect of

a franchise relating to a Franchise Agreement that was entered into on or after 21 February 2012, and the franchise was sold or disposed of before 1 October 2015.

48. Put another way, the VID180 Loss Claims described in paragraph [45] will be treated as having 3 times the value of the VID180 Loss Claims described in each of paragraphs [46] and [47], when determining what distribution will be received from the VID180 Loss Claims Settlement Sum.
49. A relative weighting of zero (0) (in respect of the VID180 Loss Claims Settlement Sum) will be applied to those Eligible VID180 Group Members' VID180 Loss Claims in respect of a franchise relating to:
  - (a) a Franchise Agreement that was entered into before 21 February 2012, and the franchise was sold or disposed of before 1 October 2015; or
  - (b) a Franchise Agreement that was entered into after 1 October 2015.
50. Once all VID180 Loss Claims have been assessed with the above weightings applied to them, distributions will be made to VID180 Group Members on a pro rata basis from the VID180 Loss Claims Settlement Sum. This means that no funds will be distributed to Eligible VID180 Group Members until all claims have been assessed by the Administrator.
51. To summarise:
  - (a) Eligible VID180 Group Members having VID180 Loss Claims that fall within paragraphs [45], [46] and [47] above will be able to share in distribution of the VID180 Loss Claims Settlement Sum and the VID180 Rebates Claims Settlement Sum;
  - (b) the Loss Claims described in paragraph [45] will be treated as having 3 times the value of the Loss Claims described in each of paragraphs [46] and [47], when determining what distribution will be received by VID180 Eligible Group Members from the VID180 Loss Claims Settlement Sum;
  - (c) the Loss Claims described in paragraph [49] will be treated as having no value, and so Eligible VID180 Group Members having those VID180 Loss Claims will

only be able to share in the distribution of the VID180 Rebates Claims Settlement Sum; and

- (d) once all of the VID180 Loss Claims are assessed, distributions will be made to VID180 Group Members on a pro rata basis from the VID180 Loss Claims Settlement Sum.

***Distribution to Eligible VID182 Group Members***

52. As to the forty per cent of the Net Settlement Sum (**\$21,025,626**) to be distributed to Eligible VID182 Group Members (**VID182 Settlement Sum**), those monies will be distributed upon assessment under the Settlement Scheme of Eligible Group Members' claims (**VID182 Claims**) as to:

- (a) the hours they spent operating the relevant 7-Eleven store(s); and
- (b) what additional monies they might have been able to earn rather than devoting their time to operating the relevant 7-Eleven store(s).

53. As with VID180 Loss Claims, different relative weightings will be applied to VID182 Claims having regard to:

- (a) the date when Eligible VID182 Group Members who became directors or guarantors under a Franchise Agreement, or became guarantors under an ANZ loan contract; and
- (b) the date when the Franchisee sold or disposed of the franchise (if they have sold or disposed of it).

54. A relative weighting of 3.0 will be applied to the claims of Eligible VID182 Group Members who became directors or guarantors under a Franchise Agreement entered into on or after 21 February 2012 and before 1 October 2015, or who became guarantors under an ANZ loan contract on or after 21 February 2012 and before 1 October 2015, and where either:

- (a) the 7-Eleven store franchise the subject of that Franchise Agreement was disposed of after 1 October 2015; or
- (b) the Franchisee still retains that franchise;

55. A relative weighting of 1.0 will be applied to the claims of Eligible VID182 Group Members who became directors or guarantors under a Franchise Agreement entered before 21 February 2012, or who became guarantors under an ANZ loan contract before 21 February 2012, and where either:
- (a) the 7-Eleven store franchise the subject of that Franchise Agreement was disposed of after 1 October 2015; or
  - (b) the Franchisee still retains that franchise.
56. A relative weighting of 1.0 will be applied to the claims of Eligible VID182 Group Members who became directors or guarantors under a Franchise Agreement entered on or after 21 February 2012, or who became guarantors under an ANZ loan contract on or after 21 February 2012, and where the 7-Eleven store franchise the subject of that Franchise Agreement was disposed of before 1 October 2015.
57. A relative weighting of zero (0) will be applied to the claims of Eligible VID182 Group Members:
- (a) who became directors or guarantors under a Franchise Agreement entered before 21 February 2012, or who became guarantors under an ANZ loan contract before 21 February 2012, and where the 7-Eleven store franchise the subject of that Franchise Agreement was disposed of before 1 October 2015; or
  - (b) who became directors or guarantors under a Franchise Agreement that was entered into after 1 October 2015 or who became guarantors under an ANZ loan contract after 1 October 2015.
58. Once all VID182 Claims have been assessed with the above weightings applied to them, distributions will be made to VID182 Group Members on a pro rata basis from the VID182 Settlement Sum. This means that no funds will be distributed to Eligible VID180 Group Members until all claims have been assessed by the Administrator.
59. There will be a **Review** process in which Eligible Group Members may seek a Review of the calculation of their VID180 Claim or VID182 Claim (as the case may be). If the Review does not result in an increase in the distribution of at least \$500, the costs of the review process will be deducted from the relevant Eligible Group Member's claim, or in certain cases, will need to be paid by the Eligible Group Member upfront.

60. The Settlement Scheme is presently a proposal subject to approval of the Court and further changes as necessary.

61. To summarise:

- (a) Eligible VID182 Group Members will be able to share in distribution of the VID182 Settlement Sum if their claims fall within paragraphs [54], [55] or [56];
- (b) VID182 Claims described in paragraph [54] will be treated as having 3 times the value of the VID182 Claims described in each of paragraphs [55] and [56];
- (c) the claims described in paragraph [57] will be treated as having no value, and so Eligible VID182 Group Members having claims will NOT be able to share in the distribution of the VID182 Settlement Sum; and

once all of the VID182 Claims are assessed, distributions will be made to VID182 Group Members on a pro rata basis from the VID182 Settlement Sum.

### **If you or your company have opted out**

62. If you have opted out of the Class Actions, you are not eligible to make a claim on the Settlement Sum. If your Franchisee company has opted out, but you have not (or vice versa), the entity or nominated director or Guarantor that has not opted out and who is an Eligible VID180 or Eligible VID182 Group Member may be able to make a claim on the Settlement Sum. If you are not sure, you should contact Levitt Robinson on 02 9286 3133 or [711@levittrobinson.com](mailto:711@levittrobinson.com) or seek your own legal advice.

### **Court approval**

63. The Settlement of the Class Actions must be approved by the Court.

64. If you are a VID180 Group Member or a VID182 Group Member, you have a right to object to the Settlement.

65. The application for Court approval of the Settlement (**Approval Application**) will take place at a hearing at the Federal Court of Australia, 305 William Street in Melbourne on **16 November 2021** at **10:15 am** and via audio-visual link (**Approval Hearing**).

66. In determining the Approval Application, the Court will consider whether the Settlement is fair and reasonable having regard to the interests of the VID180 and VID182 Group Members.

***Reasonableness of legal and administration costs***

67. If you have a concern in relation to the reasonableness of the estimated legal and administration costs listed in paragraph [32(f)], you should note the following:
- (a) it is a matter for the Court to determine what amount of costs is reasonable and should be deducted from the Settlement;
  - (b) the Court has appointed Ms Elizabeth Harris as an independent legal costs expert as a referee under s 54A of the *Federal Court of Australia Act 1976* (Cth) (**Referee**) to report to the Court on the following questions:
    - (i) Are the costs charged or sought to be charged by the solicitors for the Applicants in relation to the conduct of the proceedings reasonable?
    - (ii) Are the costs sought by the Administrator in relation to the approval of the Settlement and the administration of the Settlement reasonable?
    - (iii) If not, by what amount should those costs be disallowed?
  - (c) a copy of the Referee's report will be available on 4 November 2021 on the Federal Court website at <https://www.fedcourt.gov.au/law-and-practice/class-actions/class-actions/documents#vid180of2018>; and
  - (d) questions as to reasonableness of costs will be considered by the Court whether or not you object, but if you disagree with the proposed deduction of the estimated legal and administration costs or with the amount found to be reasonable by the Referee, you may, if you wish, object and also make submissions to the Court.

***Appointment of Contradictor***

68. If you have a concern in relation to the fairness and reasonableness of the Settlement, you should note the following:

- (a) it is a matter for the Court to determine whether the Settlement is fair and reasonable;
- (b) the Court has appointed Mr Jonathon Redwood SC, a senior barrister, as **Contradictor** to represent Group Members' interests and to assist the Court to perform its judicial function in relation to the Approval Application in relation to the question whether the Settlement is fair and reasonable, including the fairness and reasonableness of:
  - (i) the proposed distribution of the Net Settlement Sum between Eligible VID180 Group Members and Eligible VID182 Group Members (described in paragraphs [35] and [36] above);
  - (ii) the proposed distribution of the Net Settlement Sum to Eligible VID180 Group Members and the different relative weightings to be applied (described in paragraphs [40] to [50] and summarised in paragraph [51] above);
  - (iii) the proposed distribution of the Net Settlement Sum to Eligible VID182 Group Members and the different relative weightings to be applied (described in paragraphs [52] to [58] and summarised in paragraph [61] above); and
- (c) questions as to reasonableness of the Settlement will be considered by the Court whether or not you object, but if you disagree with the Settlement, you may, if you wish, object and also make submissions to the Court.

### **What you must do**

- 69. If you are in favour of the Settlement, there is nothing you need to do at this time.
- 70. If you wish to object to the Settlement, you must file a written NOTICE OF OBJECTION TO PROPOSED SETTLEMENT with the Federal Court in the form attached to this Notice and marked "Z" by emailing [vicreg@fedcourt.gov.au](mailto:vicreg@fedcourt.gov.au) and copying [711@levittrobinson.com](mailto:711@levittrobinson.com) or by posting a copy to 305 William Street, Melbourne Victoria 3000, by **19 October 2021**.

71. Contact details of Levitt Robinson:

Address: **Ground Floor, 162 Goulburn Street, Surry Hills NSW 2010**

Phone: **(02) 9286 3133**

Email: [711@levittrobinson.com](mailto:711@levittrobinson.com)

72. If you file a Notice of Objection to Proposed Settlement, you or your legal representative may attend the Approval Hearing on **16 November 2021** at **10:15 am** and make further submissions to the Court in support of your objection.

### **If the Settlement is approved**

73. If the Settlement is approved by the Court, the parties will await the passing of the applicable appeal period. Assuming there is no appeal of the Court's approval of the Settlement, 7-Eleven will then pay the Settlement Sum into an interest-bearing controlled money account held on trust by Levitt Robinson's as the Administrator of the distributor of the Settlement Sum.

74. As explained in paragraph [37] above, the Court will also set a "Registration Date" by which you must lodge your claim on the Settlement Sum. If you do not make a claim on the Settlement Sum by the Registration Date, you will be bound by the outcome of the Class Actions (that is, the terms of the Settlement) and get nothing.

75. After the Registration Date, payments will first be made to the Funder, Levitt Robinson, the Applicants and an independent Senior Counsel appointed under the Settlement Scheme for the purpose described in paragraph [26] above, in accordance with the Court's orders. Then, the claims on the Settlement Sum will be assessed by the Administrator (and his team) and applied to the remainder of the Settlement Sum, to calculate the compensation payable to eligible Group Members.

### **If the Settlement is not approved**

76. If the Settlement is not approved by the Court following the Approval Hearing, the parties may need to renegotiate the Settlement in accordance with the Court's directions or guidance, or seek directions for the listing of the initial trial for hearing.

77. Please consider the above carefully. If there is anything of which you are unsure, you should contact Levitt Robinson (whose contact details are set out below) or seek your own legal advice.
